Description

Artist's note: "The illustration of January in Jasu Wonder World 2022 calendar. The theme of the calendar was *Window to Another World*, featuring 12 detailed and colorful illustrations. Each one of the illustrations has a unique story to tell through views that open through different window, and the things that happen all around the window frame. In "January Sun" I wanted to capture the atmosphere of a cold winter day. I wanted the illustration to look freezing and warm at the same time. Basically everything on the inside looks warm and cozy; the girl dressed up comfortably with a hot drink in her hands, there are pillows and blankets and a fluffy cat... but the atmosphere outside the window tells a story about a cold winter sun, barely showing above the horizon, painting the sky with beautiful colors."
